### DELEGATIONS/DISCUSSION

Matt Hart, 2317 Bahiamar

The opposition to the Suder Avenue truck facility are in the minority.

Not opposed to the facility.

This is just for new sales and repairs and is not a truck stop.

Feels that the township should remain neutral as the facility is not in the township.

The site will be designated for low impact to the township.

The posts on facebook indicate that the general public is in favor of the facility.

CHIEF KAISER

Agrees with Matt Hart that this will not be a detriment to the school.

MRS. REX

Stated that Suder Avenue has a high traffic volume.

Traffic will not cross any designated crosswalks.

There will be no benefit to the development for the township.
