Thank you to the Board for their support of General Truck Sales.

Plan Commission meeting on September 10, 2015 was not with good results.

Discussed in what direction the motion to enlarge the General Truck Sales will be heading. City Council members do not know what will be done about the sidewalk on both the east and west side of Suder. Mr. Kay questioning why the sidewalk is now an issue. Would like the Board to write a letter to Toledo City Council and the Toledo Mayor and Plan Commission. She has drafted a letter for the Board to review. Mr. Henry to look into this.

CHUCK CONNOR, 1224 SHORELAND

Spoke with Ed Whipple, retired Executive Editor of the Blade. Mr. Whipple says the School Board needs to be more involved in the trucking company issue.

Storm sewer opening on Pageland is blocked and needs to be cleaned out. Mr. Kay states it is the county's responsibility. Mr. McIntosh believes this property owner was told by the county the last time the county cleaned it out that cleaning this storm sewer is the property owners responsibility from then on.
