

SPECIAL MEETING

APRIL 14, 2021

VILLAMAR PARK

Mrs. Schlachter called the meeting to order at 5:30 p.m.

Trustees present: Mr. Schuster, Mrs. Schlachter, Mr. Britton not present, excused.

Open discussion with the public and residents in attendance regarding Villamar Park.

Decided on the following regarding Villamar Park:

Clean up brush, fix parking lot, add one picnic table and grill by the water area that was cleared out, add one picnic table and grill on the concrete by the field, add bird and bat houses, remove back stop, keep benches by the field, add lighting at night, add a garbage can. If we receive Grant, add trees along lot line. Look for funding for a pavilion, kayak launch (low to the ground and easy entry), playground (place where the field is located). Also, discuss collaboration with Whitmer High School to have them help build a bat and or bird houses if we supply the materials.

Adjourn meeting 6:00 p.m.
