The Shoreland Firefighters Association is pleased to announce the date for this years' "Thunder Over The River" fireworks display. The event date will be **June 26th at dusk** when the sky over the Point Shoreland area will come alive with booming sound and vibrant color.

To make the event happen again this year, we are asking for your help. Like you, the Association has met hard times without a means of fundraising due to the Corona Virus Pandemic. Our focus has been solely on answering the call of duty to our residents when they need us, be it fires, accidents or falling ill with Covid-19. Many of our members contracted the virus and thankfully fought through and have fully recovered to continue to serve all of you. It is not an easy choice to ask our community for donations when we know that the pandemic has hurt so many of you too.

However, we know that the fireworks are special to our community and fulfill a need to get out

and celebrate a tough year like no other. With your financial assistance, this fireworks display, will be the most memorable display ever presented in the Point Shoreland area. With the rising costs of presenting a show of this caliber, it is our intention to look to our area businesses and residents for support. Businesses and residents donating \$300 or more will be listed outside of the station on our donor boards. As always, we are more than happy to receive any monetary donation from businesses and residents alike as we understand that not everyone can give a lot, but every little bit helps.

Again, without your support it will be impossible for the Shoreland Firefighters Association to continue to provide such a wonderful event for the community. If you need a receipt for your tax-deductible donation, please enclose a note and one will be returned to you. If you have any questions about the event, please give us a call any Wednesday evening between 7pm-9pm at 419-726-2453.

Donations can be mailed to:

Shoreland Firefighters Association
2469 Shoreland Ave.
Toledo, OH 43611

Donations can also be dropped off at the station Monday-Friday from 8am-4pm.

Thank you in advance for your consideration in supporting the Shoreland Firefighters Association and the 2021 "Thunder Over The River."
