To all residents. Please do not cross fire or police lines that say do not cross. And for your safety please do not show up at police calls. We received a report from the fire marshal a resident was walking through the rubble at the home on Rounding River. This is unacceptable and can hurt an ongoing investigation. Know that the homeowner and township could press charges.

5800 block of Rounding River. WTFD Chief 72 first to arrive reported working fire in 2 story residential with fire thru the roof. Engine 72 upon arrival performed an aggressive primary search for occupants, search efforts all clear as occupants were not at home. Crews were pulled from interior and went defensive as structure eventually collapsed. No civilian or firefighter injuries. Fire was discovered and called in by Washington Twp police on routine neighborhood patrol.

Mutual aid assistance from Toledo Fire engines 24,19,3, Truck 17, BC1 and Safety 134. Morin Point Engine 1.
